

PRINCE2® Foundation & Practitioner Jan-Dec 2010 : Public Courses*

PRINCE2® is the world's leading project management methodology. It is a generic methodology and therefore *applicable to managing all types and sizes of projects*. Obtainment of recognised professional project management qualifications can dramatically improve both individual and organisational success. Two levels of accreditation are currently available – Foundation and Practitioner. **Public courses scheduled for week commencing*:**

● 22 nd February 2010*	● 21 st June 2010*
● 8 th March 2010*	● 27 th September 2010*
● 26 th April 2010*	● 29 th November 2010*

Location: Holiday Inn, Ormeau Ave, Belfast (*venue may change, confirmed on booking*).

The structure of this course is such that delegates can register to attend *Foundation only* **or** *full Practitioner*. Candidates registering for *Foundation only* will attend the first three days; those registering for Practitioner will attend all 5 days. The 1hr Foundation Examination, for all delegates, will take place on Day 3. Candidates wishing to sit the Practitioner must obtain a pass in the Foundation examination as a pre-requisite to sitting the Practitioner Examination. The 3hrs Practitioner is taken on the afternoon of the 5th day. Both exams are multiple choice styles. Candidates who have attained Foundation and later wish to sit the Practitioner exam may be eligible to attend only days 4 & 5; referred to as Bridging to Practitioner. We recommend no more than an “8-12” week gap between sitting the Foundation and Practitioner exams.
